

Every child in Annapolis has the opportunity to build a bright future.

Notes from Jen Pastrone, Executive Director

August 24, 2022

Happy Incorporation Birthday, Seeds 4 Success!

In 2008, Seeds 4 Success began as a grassroots effort in Eastport in response to community violence. **On this day in 2011, Seeds 4 Success was officially incorporated!** Today marks not only 11 years as a 501(c)(3), but 14 years of commitment to the children of Annapolis.

Spring & Summer Recap

Thanks to partnerships with HACA's Eastport Community Center and the Eastport-Annapolis Neck Public Library, children met weekly with their tutors and mentors for academic tutoring and social-emotional skill building. High school students met with S4S Staff to research career paths and explore college pathways.

We provided a host of vibrant summer camps, including AACO Parks & Recreation, Quiet Waters and Eastport Yacht Club. S4S capped off the summer with a virtual reading program!

Program Announcement

We are excited to announce **S4S will expand tutoring & mentoring by 50%**, including children in grades K-1 for the first time this school year!

S4S will now offer programs from the day a child walks into school for the first time to and through their post-secondary plans.

“Seeds 4 Success has contributed to me being a college graduate by providing me with a mentor who has been my biggest supporter and helped me figure out the ins and outs of college.”

Support Seeds 4 Success

We rely on our supportive community to make sure Seeds 4 Success can grow to meet the needs of children on their journey to a brighter future. **Hope to see you on October 13th!**
