Independent Auditor's Report

To the Board of Directors of Seeds 4 Success, Inc. Annapolis, Maryland

Opinion

We have audited the accompanying financial statements of the Seeds 4 Success, Inc.(a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Seeds 4 Success, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Arundel County CASA, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Seeds 4 Success, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures
 in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of Seeds 4 Success, Inc.'s internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Seeds 4 Success, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Seeds 4 Success, Inc. (the Organization), works with the community to provide children from low income communities with the skills and support to achieve success in school and life. Seeds 4 Success, Inc. grew out of neighbors' concerns about escalating crime in nearby public housing communities and the well-being of children living there. It is supported primarily by grants, contributions, and special events.

Basis of Accounting

The financial statements of Seeds 4 Success, Inc. have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Uses of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements, and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash, Cash Equivalents, and Certificates of Deposit

For purposes of the statements of cash flows, the Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Accounts Receivable and Promises to Give

The Organization uses the allowance method of accounting for bad debts. The allowance for uncollectible promises to give is established based upon management's estimate of collectibility taking into consideration historical collection experience. Accounts are written off as management deems them uncollectible. There was no allowance for uncollectible promises to give at June 30, 2022 and 2021.

Property and Equipment

Property and equipment additions are capitalized at \$1,000 and higher, and are recorded at cost if purchased, or fair market value at the date of acquisition for donations. Minor additions and renewals are expensed in the year incurred. Major additions and renewals are capitalized and depreciated using accelerated depreciation methods over their estimated useful lives, generally 5-7 years.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment (Continued)

When assets are sold or otherwise disposed of, the asset and related accumulated depreciation and amortization are removed from the accounts, and any remaining gain or loss is included in the statements of activities and changes in net assets.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board may designate a portion of these net assets for specific purposes.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Income Tax Status

The Organization is exempt from income taxes under Internal Revenue Code 501(c)(3). In addition, the Organization qualified for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(1). The Organization's informational return filings are subject to audit by the Internal Revenue Service, generally for three years after filing.

Revenue Recognition

Revenue from contracts with customers primarily consists special event fees. Revenues are recognized when control of the promised services is transferred to customers, in an amount that reflects the consideration the Organization expects to be entitled to in exchange for those services. These revenues are recognized net of discounts, waivers, and refunds.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

The Organization determines revenue recognition through the five-step model prescribed by Topic 606 as follows:

- Identification of the contract, or contracts, with a customer;
- Identification of the performance obligations in the contract;
- Determination of the transaction price;
- Allocation of the transaction price to the performance obligations in the contract;
- Recognition of revenue when, or as, performance obligations are satisfied.

Performance Obligations

A performance obligation is a promise in a contract to transfer a distinct good or service to the customer. A contract's transaction price is allocated to each performance obligation identified in the arrangement based on the relative standalone selling price of each distinct good or service in the contract and recognized as revenue when, or as, the performance obligation is satisfied. The primary method used to estimate the standalone selling price is the adjusted market assessment approach, under which the Organization evaluates the market and estimates a price that a customer would be willing to pay for the goods and services the Organization provides.

The Organization's performance obligations are primarily satisfied at the point in time of events. The transaction price is determined based on gross price, net of discounts or refunds.

The Organization has elected the optional exemption to not disclose amounts where the performance obligation is part of a contract which has an original expected duration of one year or less. The Organization expects to recognize substantially all revenue on these remaining performance obligations over the next twelve months.

Contract Balances

The timing of billings, cash collections, and revenue recognition results in accounts receivable (contract assets) and program deposits on the statements of financial position. Receivables are only recognized to the extent that it is probable that the Organization will collect substantially all of the consideration to which it is entitled in exchange for the goods and services that will be transferred. The Organization receives advance payments of deposits from customers before revenue is recognized, which are recorded as contract liabilities in program deposits.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

Costs to Obtain a Contract

The Organization has elected the practical expedient available in ASC 340-40, in which any incremental costs of obtaining a contract are recognized as an expense when incurred if the amortization period of the asset that would have been recognized is one year or less.

Grants and Contributions

The Organization recognizes contributions when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest, is received. A conditional promise to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

A portion of the Organization's revenue is derived from government contracts and grants, which are conditioned upon certain performance requirements and/or incurring allowable qualifying expenses. Amounts received are recognized when the Organization has incurred expenditures in compliance with specific contract or grant provisions.

<u>Functional Allocation of Expenses</u>

The costs of providing the various programs, fundraising, and other activities have been summarized on a functional basis in the statements of activities and changes in net assets and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries, payroll taxes, employee benefits, and professional services, which are allocated on the basis of estimates of time and effort. Occupancy, office supplies, and depreciation are allocated based on an estimate of usage by functional area.

Reclassification

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements. These changes have had no effect on the net income for the year ended June 30, 2021.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Organization evaluated subsequent events through the date that the financial statements were available to be issued. The Organization is not aware of any significant events that occurred subsequent to the statement of financial position date but prior to December 20, 2022 that would have a material impact on the financial statements.

NOTE 2 - LIQUIDITY AND AVAILABILITY

The Organization maintains a policy of structuring its financial assets to be available as its general expenditures, liabilities, and other obligations become due. The Organization will use debt when necessary to support cash flow needs.

The following represents the Organization's financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of June 30:

	<u>2022</u>	<u>2021</u>

Satisfaction of Time Restrictions	2,500	
Total Satisfaction of Restrictions	\$ 20,340	\$ 18,852

NOTE 5 - RETIREMENT PLAN

The Organization offers a simple IRA retirement plan for its employees. Under the plan, employees are eligible to contribute up to \$11,500 annually and become fully vested immediately. The Organization matches the first 3% of the employee's contribution. All employees earning more than \$5,000 are eligible for the plan. For the years ended June 30, 2022 and 2021, employer contribution expense was \$220 and \$6,646, respectively.

NOTE 6 - INKIND CONTRIBUTIONS

The Organization received inkind donations of the following items during the years ended June 30, 2022 and 2021. The estimated fair market values of the inkind donations are as follows:

<u>2022</u>	Program <u>Services</u>	General and Administrative	<u>Fundraising</u>	<u>Total</u>
Occupancy Supplies	\$ 48,600 <u>1,250</u>	\$ 5,400 	\$ 	\$ 54,000 <u>1,250</u>

Total	\$ <u>48,600</u>	\$ <u>5,400</u>	\$	\$ 54,000

NOTE 7 - CONCENTRATION OF CREDIT RISK

The Organization manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed by management to be creditworthy. At June 30, 2022, the Organization had approximately \$206,000 in excess of federally insured limits. To date, the Organization has not experienced losses in any of these accounts. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds.
